

Agreement for Castle Builder’s WordPress Troubleshooting Services

This agreement (“Agreement”) is entered into on the below-signed date (“Effective Date”), between Castle Builder Design, Ltd. (“Castle Builder”) and (“Client”) (each a “Party,” collectively, “the Parties”). This Agreement incorporates Castle Builder’s Policies (located at www.castlebuilder.com/policies) which may be updated at any time without notification to Client. Castle Builder and Client agree as follows:

Scope of Work. Client engages Castle Builder’s services (“Services”) to assist in identifying and/or resolving Client’s technical issues with their WordPress website, (“Website”). These Services entail (1) an introductory phone consultation (no more than 30 minutes) with Amélie Walker-Yung (“Amélie”) of Castle Builder Design, Ltd. to discuss Client’s technical problems; (2) the conducting of an assessment of Client’s problem; (3) using technical troubleshooting to resolve minor problems to the Website where possible; and (4) if applicable, providing recommendations for problems requiring more time. Castle Builder will perform the Services identified by Client in the initial phone consultation. In the event Client later modifies the issues they would like Castle Builder to troubleshoot, Castle Builder will, in its sole discretion, make a decision of whether such modification warrants a new purchase of the Services or if it can be incorporated under this Agreement.

In the rare event that on the phone call, Amélie, in her sole discretion, determines that the Client’s problem is inappropriate for the type of troubleshooting offered via the Services, Client will be refunded \$150.00 of the fee specified in Paragraph 6, and will be absolved of paying the entire fee.

Deliverables. Upon completion of the initial phone consultation, Castle Builder will, within two (2) business days, assess Client’s problem, if possible by devoting two (2) hours to addressing the issue. In addition, Castle Builder will provide Client via email with a written summary of its findings, which will include a list of changes made during troubleshooting, identification of problems that may need more attention, and, if applicable, recommendations for future action (“Summary Report”).

Performance Standard. Castle Builder promises the Services will be performed in a professional manner that is consistent with industry standards.

Term. The term of this Agreement will be starting from the Effective Date of this Agreement to the date Client pays the invoice for the Services (“Term”).

Fees. The fee for the Services is \$200.00 (“Service Fee”). This amount covers the initial phone consultation, assessment, and troubleshooting. Client understands that by entering into this Agreement, Castle Builder will begin to spend time and energy towards assisting Client. Castle Builder will not accept any other requests from potential clients that might hinder the performance of its Services under this Agreement, so will be losing out on other income and business opportunities that are difficult to calculate. Due to this, the Service Fee is non-refundable in order to compensate Castle Builder for its time and loss of business.

In the rare instance that Castle Builder determines, based on the initial phone consultation and in Amelie’s sole discretion, that a sufficient assessment of Client’s issue cannot be performed within the time frame, Castle Builder will refund Client \$150.00 of the Service Fee, and will keep \$50.00, which will cover Castle Builder’s time and services rendered on the call.

Payment. Client must submit payment of the Service Fee to Castle Builder of \$200.00 upon purchasing the Services.

Ownership of Work Product. Castle Builder retains all right, title, and interest to all work product created under this agreement, including copyright, trademark, patent, trade secret, and any other intellectual property or proprietary rights. “Work Product” shall mean reports, designs, notes, documents, information, know-how, algorithms, and encoding techniques that result from or arise from the Services.

Castle Builder hereby grants to Client a worldwide, limited, non-exclusive license to use, reproduce, copy, print, and distribute the contents of the Summary Report solely to a third party that has been engaged by Client to assist with the Website, provided that the purpose of such use, reproduction, copying, printing, and

distribution is for the sole purpose of addressing a technical problem on the Website. In no circumstances is Client authorized to sell the Summary Report, or permit others to do so.

Right of Refusal. Castle Builder reserves the right, in its sole discretion, to refuse to provide its Services to Client for any reason.

Once encrypted, the data can only be decrypted using Castle Builder's private key, which is stored exclusively on its computers, which are protected by password and stored in a secure environment. Confidential Information will be considered confidential and Castle Builder will keep such information private and secure using a reasonable degree of care, not share Confidential Information with third parties, and will only use it for the purposes of this Agreement.

Termination. When Client submits a request via the portal, Castle Builder begins to put in time, efforts, and energy into resolving Client's issue, including passing on other work. Thus, in the event that Client decides to terminate this Agreement, he/she should send written notice to Castle Builder, and Castle Builder will retain the \$200.00 non-refundable Service Fee for its time and to offset the business loss.
